Attrezzo Collection

Cuisinart's premium collection of tools and gadgets features sleek Italian styling, gleaming stainless steel and bright orange accents. Embossed logos reflect the sophisticated styling of Cuisinart® kitchen products. It's a unique, new look that turns food preparation into a fashion statement. Safe for nonstick cookware, with comfy, soft-grip handles, this is a line you'll want to hold onto.

- Italian designed
- Soft-grip handles with metal inlay and orange accents in hang hole
- Nylon tool heads are safe for nonstick cookware and are heat resistant up to 420°F
- Dishwasher safe
- Lifetime warranty

FusionPro Collection

Durable, versatile and beautiful, Cuisinart's line of chef-caliber kitchen tools is a fusion of the finest features and materials. Stainless steel handles contrast with black nylon heads, while the red ring in the middle of each tool adds a dash of color. The contemporary design adds an on-trend touch to any kitchen. These dishwasher-safe utensils and gadgets cover nearly every prepping, cooking and serving task, blending sophisticated form and function with superior ease and convenience.

- Stylish, stainless steel handles
- Sturdy nylon heads resist heat up to 420°F
- Safe for nonstick cookware
- Dishwasher safe
- Lifetime warranty

Oceanware Collection

The Oceanware Collection is making waves as the new eco-friendly kitchen tool line. Crafted from recycled fishnets pulled from the ocean, the handles capture the essence of the seashore with deep blue and aqua tones. These durable, eco-friendly tools have nylon heads that resist heat up to 420°F. Safe to use on nonstick cookware, they go in the dishwasher for easy cleaning.

- Nylon heads on tools are heat resistant up to 420°F
- Nylon tools are safe for nonstick cookware
- Dishwasher safe
- Lifetime warranty

Contour Collection

Cuisinart® artfully blends function and finesse in the Contour Collection. Effortlessly rising to the task of cooking for one—or one dozen—this durable nylon cookware is the go-to kitchen tool with a soft-grip, nonslip, ergonomic handle that stays comfortable in the hand. The nylon tool heads are safe and gentle on nonstick cookware and withstand heat up to 420°F.

- Soft-grip, nonslip, ergonomic handles
- Nylon tool heads are safe for nonstick cookware and are heat resistant up to 420°F
- Dishwasher safe
- Lifetime warranty

Sliding Under Cabinet Organizers

Make the most of valuable cabinet space with Cuisinart® Sliding Under Cabinet Organizers. Convenient for taking control of kitchen clutter, the durable baskets glide evenly on heavy-duty steel tracks that are simple to install with the mounting hardware and template included. Organizers come in 11", 14", and 17", as well as a 2-tier 14" model built to allow for clearance around pipes.

Simply install the upper basket to the left or right of the 2-tier 14" model for a custom fit. Each basket comes with a removable mat that holds any size item and cleans up with ease. The smooth glide function of the heavy-duty, ball-bearing tracking system makes the organizers easy to slide in and out for quick access.
